

Are you excited to be living in Northland and keen to make the most of every opportunity?

Join our Global Citizenship Ambassador Program for amazing opportunities to strongly connect with Northland's culture, environment and community.

Take part in and help develop workshops, events and collaborations with local businesses and charities, all aimed at empowering you to think and act globally.

Share your experiences in Northland on Study Northland's digital platforms so others can follow your journey.

This is a chance to backup your Northland experience with global learning to improve your university and job prospects and become a better citizen of the world.
